

**Mazowsze.**  
serce Polski

**POWER4BIO**  
REGIONS FOR  
BIOECONOMY

This cross-visit is organised by the Mazovia Energy Agency, the Mazovia region and the European Chemical Regions Network (ECRN), under the scope of [POWER4BIO](#) project. It gathers representatives from different networks ranging from agriculture and rural development, to the chemical and biobased industry, researchers, public authorities and institutions.

**Date:** Wednesday 20/01/2021 and Thursday 21/01/2021

**Registration:** [link here](#)

# Agenda

**Date:** 20 January 2021

Time	Subject
9:30-9:40	<b>Welcome and Introduction</b> Speaker: Ignacio Martin Jimenez – CIRCE Foundation
9:40-9:55	<b>Mazovia Region: Administration &amp; Economy</b> Speaker: Mariusz Rukat – Chancellery of the Marshal Office of the Marshal of the Mazovian Voivodeship
9:55-10:25	<b>Availability and use of agricultural resources. Bioeconomy development potential in this sector in Mazovia</b> Speaker: Marta Król – Marshal's Office of the Mazowieckie Voivodeship. Department of Agriculture and Rural Development
10:25-10:55	<b>Availability and use of resources from waste management. Bioeconomy development potential in this sector in Mazovia*</b> Speaker: Urszula Pawlak – Marshal's Office of the Mazowieckie Voivodeship. Department of Waste Management, Emissions and Integrated Permits
10:55-11:25	<b>Transformation towards a bioeconomy. Social and environmental aspects</b> Speaker: Dr Piotr Wieczorek – Polish Biomass Society. Department for Fuels and Bioeconomy at Łukasiewicz Research Network - Automotive Industry Institute
11:25-11:35	<b>Coffee Break</b>
11:35-12:05	<b>Research and innovation in the field of bioeconomy in Poland</b> Speaker: Dr Marek Hryniewicz – Institute of Technology and Life Sciences. Department of Economical and Energetical Analyses
12:05-12:35	<b>Assumptions and review of the bioeconomy development strategy for Mazovia*</b> Speaker: Prof. Piotr Gradziuk – Institute of Rural and Agricultural Development, Department of Economic Modeling of the Polish Academy of Sciences
12:35-13:05	<b>Public and institutional support for the development of bioeconomy in Mazovia</b> Speaker: Marek Pszonka – Mazovia Energy Agency on behalf of Marshal's Office of the Mazowieckie Voivodeship. Department of Regional Development and European Funds
13:05	<b>End of meeting</b>

**Date:** 21 January 2021

Time	Subject
10:00-10:10	<b>Welcome</b>

[2]

Time	Subject
10:10-10:40	<b>Case study 1: The future of single-use food packaging according to BIOTREM. Biodegradable single-use tableware and packaging made from plant-based raw materials - by-products and waste of the agri-food industry</b> Speaker: Artur Bednarz – BIOTREM
10:40-11:10	<b>Case study 2: Work of the KEZO Research Center on energy systems including biomass</b> Speaker: dr inż. Patryk Chaja – Polish Academy of Sciences Research Centre Energy Conversion and Renewable Resources
11:10-12:40	<b>Workshop “Expanding the bio-based economy in European regions”</b> Speaker: European Chemical Regions Network (ECRN)
11:10-11:15	<b>Welcome</b>
11:15-11:30	<b>Overview of bioeconomy potential of ECRN regions</b> Speaker: European Chemical Regions Network (ECRN)
11:30-12:10	<b>ECRN regions' bioeconomy projects</b> Speaker: <b>Mr. André Heeres</b> , Professor of biobased & circular chemistry at Hanze University of Applied Sciences, Groningen ; <b>Mr. Marijn Rijkers</b> , Program Director Biobased of Chemelot InSciTe, Limburg ; <b>Mr. Raimo Van der Linden</b> , Bioprocess Pilot Facility B.V., Biotech Campus Delft, South Holland
12:10-12:40	<b>Final discussion</b>
12:40	<b>End of meeting</b>
